

**Lean In [LYRICS]**  
**VICTORY HOUSE WORSHIP**

*Music and lyrics by Kurt Scobie and Sean Hill*

**VERSE 1**

Oh I come sit at Your feet  
And I bring You all that I am  
You meet me here on my knees  
And You give me all that You are

**PRE-CHORUS**

And nothing else matters  
Nothing else matters right now

**CHORUS**

**So I lean in**  
**I wanna hear what Your heart is**  
**I just wanna be where You are**  
**I will lean in**  
**All of Your goodness I breathe in**  
**Nothing else matters but You,**  
**right now**

**BRIDGE**

Here in this moment my eyes are on You  
All my affection poured out like perfume  
Let every breath be a love song to You  
'cause nothing else matters (right now)

**CHORUS**

**So I lean in**  
**I wanna hear what Your heart is**  
**I just wanna be where You are**  
**I will lean in**  
**All of Your goodness I breathe in**  
**Nothing else matters but You,**  
**right now**
