

Standing on Your Faithfulness [LYRICS]

VICTORY HOUSE WORSHIP

Music and Lyrics by Jeremy Armstrong, Danielle Cruz, Crystal Hill, Sean Hill, Todd McVicker

Verse 1

We've witnessed Your power
We've lived in your wonder
But there's still abundantly
More than we've imagined

We've walked in Your fire
We've seen revival
But there's still abundantly
More than we've imagined

Chorus

God, You are good
Good to us, and we are
Standing on your faithfulness
God, You are good
Good to us, and we are
Standing on your faithfulness

Verse 2

You're doing a new thing
You're just beginning
There are still greater things
Yet to be discovered

You're writing our future
You're breathing our story
There are still greater things
Yet to be discovered

God, You are good
Good to us, and we are
Standing on your faithfulness
God, You are good
Good to us, and we are
Standing on your faithfulness
