

**You Won it All (Heaven's Champion) [LYRICS]**

**VICTORY HOUSE WORSHIP**

*Music and lyrics by Korey Bowie, Gregory David, and Kurt Scobie*

**VERSE 1**

Through the valley, through the night  
He stands beside me through the fight  
Mountains move and giants fall  
My rock, my God has done it all

**CHORUS**

**Heaven's Champion  
King of all  
Mighty warrior  
All powerful  
Great Redeemer  
Faithful  
Heaven's Champion  
You won it all**

**VERSE 2**

My melody when there's no song  
My hope when I have lost it all  
When I am weak He's ever strong  
This battle's been His all along  
Yes this battle's been His all along

**BRIDGE**

**Depression is beaten, addiction can't stay  
You won it all  
You won it all  
Shame is evicted and fear is afraid  
You won it all  
You won it all  
Death is defeated and lives are restored  
You won it all  
You won it all  
In every battle the victory is Yours  
You won it all  
You won it all**
